Smell Something? SAY SOMETHING!

Call the Tennessee Department of Environment and Conservation (TDEC) to Report Landfill Odors:

615-687-7019

Be sure to tell them your name, address, and the time/date that you smelled the landfill odors.

• Middle Point Landfill takes in over 900,000 tons of garbage from 19 counties per year.

• Republic, the company that owns Middle Point, has a ‘host agreement’ with Rutherford County that exempts the landfill from any local regulation.

• Many local residents want TDEC and other state officials to work with them to resolve issues such as strong odors.

#Stop the Stink” is a grassroots effort to resolve local landfill issues and push for long-term, innovative waste solutions throughout Tennessee. To get involved, join us for our open meetings on the first Tuesday of every month, 6:30pm, at Kelley’s Chapel Church (301 East Jefferson Pike, Murfreesboro).

About SOCM

Statewide Organizing for Community eMpowerment is a member-run organization that encourages civic involvement and collective action so that people of Tennessee have a greater voice in determining their future.
